## **Mr. LeRoy Mills**

### **International Programs Manager**

### **Europe, NATO and Sub-Saharan Africa Region**

Mr. Mills is the Regional Desk Manager for Europe, NATO and sub-Saharan Africa nations that are in the EUCOM Area of Responsibilities (AOR). He has oversight responsibilities for all U.S.C.G. Deepwater Program International Security Assistance (SA) and Foreign Military Sales (FMS) activities in the EUCOM AOR. In addition, Mr. Mills coordinates all relevant events that involve the Deepwater Program as they pertain to cooperative initiatives in the region. The Deepwater Program is the largest acquisition program in the history of the Coast Guard. This innovative acquisition program will develop, acquire, and sustain an affordable integrated system of surface, air, command and control, and logistics assets that serve America's maritime and security requirements.

Mr. Mills has been involved with U.S. Government international security cooperation programs for over 4 years. He is very knowledgeable of FMS, Armaments Cooperative Projects (ACP), and Direct Commercial Contracts (DCC) procedures. His final Navy tour was as a Country Program Director at the Navy International Programs Office in Washington, DC, after which he retired at the rank of Commander, USN.

Mr. Mills was a Navy carrier helicopter pilot with over 3500 hours. He holds a BS in Ag Eng from Iowa State University. Additionally, he is a graduate of several senior-level defense acquisition, program management, and security assistance management courses.
